

HIRED/ NON-OWNED AUTO

Due to the current situation surrounding COVID-19 (Coronavirus), many businesses are changing their operations to keep their business up and running. For those whose locations have closed to the public, offering deliveries is a new way of providing many valuable services to their communities – *and we want to help by offering coverage for this new exposure.*

A new Short-Term Non-Owned Auto coverage form is available, on a sub-limited basis, to our insureds so they may continue to meet their customer demands during this crisis.

Policy Highlights:

- Up to \$1,000,000 limits
- Options for terms as short as 90 days
- Independent restaurants and franchises
- Grocery delivery
- Liquor Store delivery considered
- One or multiple locations
